

DYNAMO 7

DYNAMO 7 is the new generation LED moving wash and beam light, using 7x 40W RGBW LED's individually controllable, high efficient optic and applying the HSIC color management system. Its incredible 4,5 to 36 degree zoom range, either creates a tight and strong beam or massive wash effects.

LIGHT SOURCE	7x Multichip RGBW 40W LED's
OPTICS	4,5°-36° electronic zoom
COLORS	16,7M additive RGB colors with full saturation control
CONTROL	DMX512, RDM, ArtNet
DISPLAY	screen for auto and custom control
DIMMER & STROBE	0-100%, 0-25Hz
PAN & TILT	540°, 270°
INPUT VOLTAGE	100-240 VAC, 50-60Hz
MAX. POWER	265W
CERTIFICATION	CE, cETL
CONNECTIONS	power in/out via Neutrik Powercon, DMX in/out via XLR
HOUSING	flame retardant plastic (V0)
DIMENSIONS & WEIGHT	301x293x370mm, 9,3 Kg
WORKING TEMP.	0-45°C max.
